Others						

**Environment of the home/Room (lodging, fooding, clothing):**

The environment of the room is not good. There are two beds, some kitchen pots, one stove and one table in the room. The room is not clean. The wall of the room is not well managed.

**Comments:**

Her parents work in carpet factory. They have 5 members in their family. Their income source is very low. They cannot support their children study.
