

LORETO DHARAMTALA RAINBOW HOME
NEWSLETTER (2009)
APRIL – JUNE

During April, the children were busy studying for their upcoming exams, for which the majority of them brought good results. All thanks to the evening remedial classes.

As we all know, the month of May really brought us scorching heat this year. The children had a lot of time for recreation. During these times, they showed their talents in art, craft, etc. Every evening they were taken for a cool walk around the Elliot Park. They were also taken to the Victoria Memorial - one of the most beautiful Monuments of Kolkata, where the children really experienced art and architecture of ancient times after which they were all taken for refreshments which included puchka's, ice-creams, cold drinks and chips.

The weather during June continued to be extremely hot. The children's school reopened on the 15th of June. They were all ready and well prepared to get back to school. Heartiest thanks go to one and all in the Rainbow family.
