

LORETO HOUSE RAINBOW HOME
NEWSLETTER.
APRIL –JUNE 09

As of now our total number of children is 153, the remaining 12 children are “come and go”, as they continue to drift in and out. Although our events have been sporadic between March and June they were nevertheless full of fun and frolic.

On April 12th, we celebrated Rainbow day with great fanfare and pomp. The children were all on high jinx during the programme, comprising of songs, dances and plays. The senior nuns looked on with warm tender smiles and the children were treated to a sumptuous dinner and sweets.

...and then came Easter and once again the children joined hands to celebrate as a family. The day was happy and festive, and as a special treat, a children’s animation film was shown, accompanied by goodies galore and followed by the grand Easter dinner. So as the April showers mingled with the dusty heat, the Loreto Past pupils surprised the Rainbows with a sudden Magic Show, eats and drinks. The children went mad with joy. The children then went for a day long trip to the Basilica at Bandel on the banks of the Hoogly River. The children crowded into 2 buses along with the cooks and staff and had a whale of a time. The food was superb, games hilarious and evening devotion peaceful and serene. The children returned home tired but happy.

Then came hot sunny May and with it mangoes, lichis and jackfruit. How children lazed about enjoying film after film and picnics to the Victoria memorial and zoo. Mrs Chakraborty (a teacher of Loreto House) treated them to a wonderful lunch and ice cream.

We are happy and proud to declare that 7 girls got admitted into Khalsa Girls high School and 11 into all Bengal Women’s Union School. Our youngest member Fiona Roy who is now the darling of our home is only 2 and half years old. She will be admitted on July 1st into a Montessori play school.

That is about all that’s new at our Rainbow Home and we are surely looking forward to the Monsoons and respite from the heat. Till the next news letter its Good Luck and Happy reading.

Children's trip to the zoo
